## News Around the Township

The latest updates

Menallen Township Supervisors and Township Road Maintenance crews have been working around the township, patching potholes, cutting back brush that overhangs township roadways, street sweeping, replacing worn infrastructure, such as roadway bridges, to mitigate damages left by recent storms, and to prevent future damage as to assure safe travels throughout the township.

## New Comprehensive Plan Update:

The Township Supervisors voted at the May Board of Supervisors Meeting to begin the process of updating the Townships Comprehensive Plan, In Short, a comprehensive plan is:

An educational tool for understanding current conditions, issues, and opportunities,

An assessment and prioritization of needs,

A statement of the optimally desirable vision of future growth and development and,

A public policy guide to community decision making adopted by the Board of Supervisors. The Supervisors have selected D Martinak Consulting to conduct this process, which will take up to six months to complete.
